In "YOU WILL ALSO NEED", actual numbers of strips needed has been added. You need at least 12 red and 8 blue at a minimum 40" usable length.

Also added is cutting instructions if precut strips are not used (scraps or from your stash). You will need to cut (8) 1 3/4" x WOF strips from assorted blues, (8) 2 1/4" x WOF strips of assorted reds, and (4) 1 1/2" x WOF strips of assorted reds.

Under "MAKING THE BLOCKS" Step 1- should read: Following the instructions on the original Log Cabin Trim Tool (CGRJAW1) make 8 blue and white **traditional** log cabin blocks." Previous text stated half-log cabin blocks in error.
