

CRAZY CHRISTMAS TREES

BY KARLA ALEXANDER
CLPKAL009

6.Press seams to one side, then trim into 5 strips at $2\frac{1}{2}''$ x $16\frac{1}{2}''$ and 8 strips $2\frac{1}{2}''$ x **$4\frac{1}{4}''$**

7. Sew a dark $1\frac{1}{2}''$ x $2\frac{1}{2}''$ tree trunk in between 2 of the $2\frac{1}{2}''$ x **$4\frac{1}{4}''$** strips.

Please note if your pattern was printed before 12-7-17, it may have $4\frac{1}{2}''$ listed in place of the $4\frac{1}{4}''$. The pieces will still work - you will just need to trim $\frac{1}{4}''$ from each side or simply trim to line up with the rest of your block.

SASHING SHOULD BE TRIMMED TO $16\frac{1}{2}''$.

Patterns printed prior to 9-28-17 may incorrectly state that the sashing should be trimmed to $16''$.

FINISHED PROJECT SIZE RELISTED AS $16\frac{1}{2}''$ X $43\frac{1}{2}''$. However, this can vary due to the unique nature of the construction and trimming of the blocks and sashing.

SEWING:

2. ...Label the remaining stack Block B and mark:
Left Side: $2\frac{1}{2}''$, $4\frac{1}{4}''$, $8''$. Right side: $1\frac{3}{4}''$, $4\frac{3}{4}''$, **$7\frac{3}{4}''$** (was incorrectly listed as $7\frac{1}{2}''$ - image shows correct $7\frac{3}{4}''$).

Patterns printed before 11-17-17 may list the incorrect $7\frac{1}{2}''$ dimension. Due to the free-form nature of this pattern, pieces cut at the $7\frac{1}{2}''$ mark should still work very nearly the same as the $7\frac{3}{4}''$ mark.
