YOU WILL ALSO NEED: 2nd bullet - change fabric requirements to 8 leaf color **fat quarters** (previously fat eighths). **If your fat eighth is cut exactly 11" x 18", you will have enough fabric, but the applique will be tough to fit out of what's left. A fat quarter will be plenty for all the cuts needed and applique leaves.

CUTTING INSTRUCTIONS: Leaf fabrics – 2nd bullet – Cut (16) **2 ½"** squares from each fat quarter (was 2")
