

Boo to You

BY Deb Heatherly CLPDHE023

This paragraph has been added to the beginning of the pattern:

Note: The instructions included with the Creative Grids® Ultimate Flying Geese Tool show several different methods for creating the flying geese units. To see a tutorial and cutting instructions on each method, visit: <https://www.debscatsnquilts.com/>.

The cutting directions shown, work for both the cross-cut and heart method. If you prefer the 2-square method, follow the cutting instructions and tutorial on her website.

There is enough fabric to use your favorite method to create 20 flying geese units that finish to 2" X 4". Adjust the cutting instructions accordingly.
