The second bullet under the directions should read:

Sew the half square triangles to the  $3 \frac{1}{4}'' \times 4 \frac{1}{4}''$  rectangles (not  $3 \frac{1}{4}'' \times 4 \frac{1}{2}''$  rectangles).

Clarification on the fourth bullet on page 2:

Use the Creative Grids® Cat's Cradle XL Tool to trim the units to finish at 5". **(The units will measure  $5 \frac{1}{2}''$  after trimming because of the seam allowance.)**
