

# Illusionary Runner

BY Deb Heatherly CLPDHE030

**This paragraph has been added to the beginning of the pattern:**

Note: The cutting directions shown, work for both the cross-cut and heart method. If you prefer the 2-square method go to <https://www.debscatnquilts.com> for additional instructions and a cutting chart. The fabric requirements shown include enough fabric to use your favorite method. Adjust the cutting instructions accordingly. You need to create 12 flying geese units in each colorway that finish to 2 1/2" X 5". Adjust the cutting instructions accordingly.

**The second paragraph under the directions has been changed to:**

Using the Creative Grids® Ultimate Flying Geese tool, the 3 3/4" light background squares and the 6 3/4" lavender/mauve squares, make 12 flying geese using the cross-cut or heart method with lavender/mauve centers that finish at 2 1/2" x 5".
